I PAN-AMERICAN
JUNIOR GAMES CALI, 2021
Cali, Colombia Nov-25 / Dec- 5, 2021

Coaches of the men's division are excited for the Junior Pan Am Games

CALI, Colombia, November 25, 2021. - The coaches of the Men's Volleyball tournament that starts on Friday November 26 are excited to compete at the inaugural Junior Pan American Games in Cali, Colombia.

As a new generation of players is being forged and the opportunity of winning two direct tickets to the 2023 Pan American Games in Santiago, Chile (one spot for the top final ranking team of NORCECA and one for the top final ranking team of the South American Confederations), the coaches of the eight teams competing at the Junior Pan American Games Cali-Valle 2021 gave their first statements during the preliminary inquiry two days before the first day of competition.

Pablo Rico, Head coach of Argentina: "The preparation has been precarious, Argentina has had many difficulties to gather the players of this age-group for several reasons, the first because many players are overseas and the international calendar prevents them from coming, and the second is that the clubs of our national league are in regular season. This is an event out of schedule and we're coming with a mix of players from our junior and youth national team, we don't have under 23 players".

Giuliano Ribas, Assistant coach of Brazil: "In every competition Brazil is strong, but we aren't at our best because we have an understanding with our national clubs of not using the top players of this age-group because they are in competition. Our expectations are high for these first Junior Pan Am Games that are of great significance for the continent to observe young athletes that can be part of the Olympic cycle to join our senior national team. We hope for a good competition and win a medal for our country".

Daniel Nejamkin, Head coach of Chile: "We are coming back slowly after the pandemic; we didn't have a great preparation. We are bringing young players, many born in 2003, as an effort to begin their preparation and see who is eligible for our senior team".

Arnaldo Sevilla, Head coach of Colombia: "We had two series of preparation, one here in Cali and the other in Medellin, the team has been practicing. We've had good results with international practice matches and as hosts our goal is to win a medal".

I PAN-AMERICAN JUNIOR GAMES CALI, 2021

Cali, Colombia Nov-25 / Dec- 5, 2021

Alexander Gutierrez, Head coach of Dominican Republic: “We are glad to be in an event of great magnitude. We’re bringing a really young team, thinking about the future, 80% of the team will repeat this age-group for two more years, so if the team remains together we expect great things. Now we want to gain experience, try and give a good spectacle against high quality opponents and evaluate where we stand”.

Reider Lucas, Head coach of Guatemala: “This is a great opportunity, we are glad to compete in the first Junior Pan American Games. The team is really young and we are looking for them to perform at their best and enjoy competing which will help this new generation greatly”.

Jorge Azair, Head coach of Mexico: “My team is motivated; I believe it will be a highly competitive event because I consider this a senior category and we expect it to be leveled between all the teams”.

Gerardo De Jesús Sánchez, Head coach of Puerto Rico: “We are really excited to be here; our expectations are to win a medal. Our preparation was atypical because most of our players are in college in the U.S. and they are in pre-season, with practice matches; others are playing Puerto Rico’s league and some in high school; so physically our team is doing well. The nucleus of this group has a long time together; they’ve played world championships and have a lot of experience”.

Entrenadores de la división masculina motivados por los Juegos Pan Am Junior

CALI, Colombia, 24 de noviembre de 2021.- Los entrenadores del torneo Masculino de Voleibol que inicia el viernes 26, están motivados por competir en el evento inaugural de los Juegos Panamericanos Junior en Cali, Colombia.

Con una nueva generación de jugadores en formación y la oportunidad de ganar dos boletos directos a los Juegos Panamericanos de Santiago 2023 (un boleto para el mejor equipo clasificado de NORCECA y uno para el mejor clasificado de la Confederación Sudamericana), los entrenadores de los ocho equipos compitiendo en los Juegos Panamericanos Junior de Cali-Valle 2021 dieron sus primeras impresiones durante la entrevista preliminar dos días previo al primer día de competencia.

Pablo Rico, Entrenador de Argentina: “La preparación fue precaria, Argentina tiene mucha dificultad en reunir a los jugadores de esta categoría por varios motivos, el primero es que muchos jugadores están en el exterior y los calendarios internacionales lo impiden, y el segundo es que los clubes en la liga argentina están en su calendario regular. Este es un torneo fuera de calendario de temporada y hemos venido con una mezcla de jugadores que participan de los procesos de selección juvenil y menor, prácticamente no tenemos jugadores sub 23”.

I PAN-AMERICAN JUNIOR GAMES CALI, 2021

Cali, Colombia Nov-25 / Dec- 5, 2021

Giuliano Ribas, Entrenador asistente de Brasil: “Brasil viene a todas las competencias fuerte pero no a su máximo porque hay un acuerdo con los clubes nacionales que no podíamos utilizar a los atletas principales de esta categoría porque están en competencia nacional. Traemos buenas expectativas de ser parte de estos primeros Juegos Junior que son muy significativos para el continente para observar a jóvenes atletas que pueden ser parte del ciclo olímpico en nuestro equipo nacional mayor. Esperamos tener una buena competencia y obtener una medalla para nuestro país”.

Daniel Nejamkin, Entrenador de Chile: “No tuvimos una gran preparación, después de la pandemia estamos volviendo poco a poco. Traemos jugadores muy jóvenes, muchos de ellos nacidos en 2003 para empezar a foguearlos y ver quiénes podrán integrar la selección adulta”.

Arnaldo Sevilla, Entrenador de Colombia: “Tuvimos dos ciclos de preparación, uno acá en Cali y otro en Medellín, el equipo se ha mantenido entrenando. Hemos tenido buenos topes a nivel internacional y siendo sede tenemos el objetivo de ganar una medalla”.

Alexander Gutierrez, Entrenador de República Dominicana: “Contentos de estar en un evento de esta magnitud. Venimos con un equipo muy joven, pensando en trabajar a futuro, un 80% repetirá en esta categoría durante dos años más, de tal manera que si el equipo continúa tendremos aspiraciones grandes. Ahora buscamos ganar experiencia, tratar de dar un buen espectáculo ante rivales de calidad y evaluar en dónde estamos”.

Reider Lucas, Entrenador de Guatemala: “Esta es una gran oportunidad, estamos muy contentos de participar en los primeros Juegos Panamericanos Junior. El equipo es muy joven y buscamos que hagan lo mejor posible y que disfruten de la competencia que ayudará muchísimo a esta nueva generación”.

Jorge Azair, Entrenador de México: “Mi equipo está motivado, creo que será una competencia de alto nivel porque la considero ya una categoría mayor y esperamos que sea bastante pareja entre todos los equipos”.

Gerardo De Jesús Sánchez, Entrenador de Puerto Rico: “Estamos muy contentos de estar acá; la expectativa que traemos es ganar una medalla. La preparación fue atípica porque la mayoría de los jugadores estudian en la Universidad en Estados Unidos y están en pre-temporada, con juegos de fogueo; otros están jugando en la liga de Puerto Rico y otros en secundaria; por lo que todos físicamente están muy bien. El núcleo del grupo tiene mucho tiempo de estar juntos, jugaron varios mundiales y tienen bastante experiencia”.
