MEN'S U16 VOLLEYBALL CHAMPIONSHIP

TASHKENT, UZBEKISTAN

BULLETIN # 5

Circular Information

Dear Team Delegates

Please be kindly informed of the followings;

It came to my attention: regarding the age-limit of the players participating in this U16 Men's championship. An appeal on a written paper signed by some teams was delivered to me yesterday with some photos appeared to be taken from a domestic championship. The letter said that some players on the pictures are players of a team in this championship and they ARE "assumed-to-be" over-aged. But, a clear, objective evidence was not given nor mentioned in the appeal letter.

FIVB / AVC has a clear rule and the followings are mailed to me by AVC HQ this morning.

1. The competition regulations, article 3.6, state that Players must be born on or after January 1, 2008.
2. AVC takes the passport of the player issued by their Government as the only VALID evidence of the official document.
3. This U16 event is the 1st international competition for all players who participate in the championship. Thus, there is no cumulated DATA BASE available for these players in the AVC Computer Server to check and confirm the records of the previous history whatsoever. Thus, the passport issued by their Government is the ONLY officially VALID evidence.
4. If any appeal regarding the issue of age-limit is NOT provided with an officially-proven evidence, AVC must respect the passport that the team presented to the CC during the preliminary inquiry.

For your reference and clear understanding on this, I will provide some more explanations and regulations set by FIVB (so did in AVC). The following regulations have seen set up by FIVB:

1. Age-group players can participate in FIVB U21 event (U20 AVC) two times, but only 1 time in U19 and in U17 (U18 and U16 in AVC).
2. FIVB U21 and U17 events are organized in the same year, and U19 alone in the following year (one year before in AVC as a qualification event).

As you may know of, in any country there are some legal procedures for their national people to change their name and/or birthday under their own LAWS. Since this issue could be an issue of "Political / Diplomatic" matters of respected Country Government, any "Sport Organization" including IOC has a clear-cut rule to avoid it as much as possible. We also better not challenge their own LAWS.

Thanks for your kind understanding and cooperation.
